Roanoke Rifle & Revolver Club ~ P.O. Box 12453 ~ Roanoke, VA 24025

March 2015

## We've lost a great friend.

Harvey Lee Bulaski, 71, of Roanoke, passed away on Wednesday, February 18, 2015.

He was a Marine Corps veteran, and was retired from Verizon after over 40 years of service. Harvey was a life member of the NRA and was a founding member of the *Friends of NRA* in Virginia. He was an avid volunteer in the community, including the Virginia Amateur Sports & the Food Bank.

Harvey did a lot for RRRC. Just take a look at your Match Schedule: Commonwealth Games, High School Youth Instruction, Small Bore Rifle Silhouette Modified, Sight-In Days. He also served on the BOD, including president, and was instrumental in RRRC's purchase of the Truman property that buffers our club. He loved to share his knowledge with anyone - young and old alike. And his knowledge was not only of firearms but history, baseball, physics! You name it - Harvey more than likely knew something about it. And if he didn't, he'd find out. A brilliant mind that amazed us all. And a wonderful sense of humor! He was so fun to be around. You were either learning or laughing, and usually both!

Harvey has been described as always being on an "even keel." Indeed, nothing seemed to rile him up, and he always sought to solve a problem peaceably. I learned much from him, even if the lessons came later. Quiet and unassuming, Harvey was the best example of a nobleman, a patriot, and a friend to everyone. To say that he will be missed is an understatement.

Please keep his wife, Kathy, in your prayers. Harvey left us too soon and with voids in our hearts. But he would want us to carry on the best we know how. I will strive to measure up.

*Ol' Kennebec Tater* (aka Beth Christopoulos)

Harvey was the quintessential man. He was always willing to share his knowledge with others. One of the smartest men I have known and worked with. Harvey loved to help youth or women learn about firearms safety and the world of the shooting sports. I am not sure that anyone will fill his shoes. He made big footprints in our local shooting sports functions. Personally, I will miss our time together.

Al Milton, *Friends of NRA*

## We Remember Harvey Bulaski

Long time Shooting & Biathlon Coordinator, as well as dedicated volunteer for our many other events, Harvey Bulaski passed away on February 18th. Harvey and his wife Kathy have been found at most of our races taking care of a water stop and cheering on runners!

Harvey's contribution to Virginia Amateur Sports & the Commonwealth Games is immeasurable.

# The President's Corner

I was totally shocked when Jim called to tell me that Harvey had just died. Harvey was always the picture of cool, calm and collected and was probably one of the last people I would have thought of. You could just imagine Harvey as a grinning old man someday, but as the saying goes "only the good die young." Well, Harvey may not have been the youngest man I know but from what I do know of Harvey and the eulogies that I heard at his service, he was incredibly good to his fellow man and a wonderful husband, father, and grandfather. The stories of his generosity just keep coming. Certainly, our lives have all been enriched by knowing him.

Though we have lost some great members in the last few years, the loss of Harvey will be felt with much pain. Harvey gave constantly of his time in so many areas for the benefit of RRRRC. His loss will certainly be felt by the youth programs he nurtured and by the young people that have benefited so much from Harvey's enthusiasm for sharing his love of shooting with so many of them over the years. His will be huge shoes to fill but I am confident that someone will step forward to try and carry on what he did so well. Let us all keep Harvey and his family in our prayers.

Charlie

## TRAINING OPPORTUNITIES

### Utah Concealed Carry Firearm Permit Training

Virginia and 35 other states recognize the Utah Concealed Firearm Permit. That widespread recognition makes it good to have as an interstate traveler. Utah permit holders may legally carry while driving through many contiguous states. Those who plan on carrying out of state may find it very useful to have this as a second permit.

The 4-hour class required to apply for this permit will be offered at the RRRRC clubhouse. Interested applicants should already hold a Virginia Concealed Carry Permit and have completed NRA First Steps Pistol or an equivalent pistol class. All necessary materials will be furnished. Club members and non-members are welcome.

**Cost is \$55.00. Current course dates are: March 15, April 12, and June 14. Class time: 2:00–6:00 pm.**

The **Concealed Carry** part of this class covers "The Five Rules for Concealed Carry," where to carry and where NOT to carry, the "Three A's", what type of handgun you are best suited to carry, types of carry holsters, how to get your permit, plus more range time giving you an opportunity to shoot a variety of handguns that may help you decide what is best for you.

Pre-registration is required. A \$20 deposit is needed before the class to secure your enrollment. The cost for this class is \$130 and includes handguns and ammunition. You are encouraged to bring your own handguns and ammunition, as well.

## **CURRENT AVAILABLE WORK HOURS FOR MEMBERS**

### **CURRENT AVAILABLE WORK HOURS**

Every year we are faced with members who claim that work hours were not made available to them. For this reason, we will be posting assignments as they become available throughout the year to ensure that all members are aware of these opportunities. Please contact me for further information regarding any of the listed positions, or to discuss duties in further detail. Assignments will be filled on a first come, first serve basis.

**Jackie Lapradd - 540-797-3961 - [John3-16@cox.net](mailto:John3-16@cox.net)**

### **URGENT! CLEANUP CREW**

Ladies and gentlemen: Over the past few years we have had a dedicated crew of folks quietly working behind the scenes to make sure our club is clean and trash-free. The work that they have put in has not gone unnoticed, and the positive comments I continue to receive regarding the range condition is quite impressive.

Having said this, I urge you to step up and consider lending a hand in keeping the club looking presentable. We currently need three (3) members who would be willing to sign up in order to keep the program running year round.

General duties are not particularly physically demanding, however, a truck (or some other means of transportation) will be required to haul barrels to the dumpster.

### **GUN SHOWS 2015**

The new year has brought with it another opportunity to get a portion of your work hours by attending the table at the upcoming show. As always, we will initially be reserving these positions for our elderly/physically disabled members; however, if there is a lack of response we will offer these positions to all members in good standing. Members are expected to interact with the public, be able to answer questions, and promote the Club in a positive manner. If you are simply looking to get a free pass into the show and a place to put your coffee while walking around browsing, then this assignment is NOT for you. We expect complete participation from those who sign up for these positions.

### **ROAD AND RANGE MONITORS**

This program was a huge hit with the general membership, Match Directors, as well as our neighbors. Because of this, we will be continuing to monitor the roads and ranges for many of our 2015 matches. I would like to add that virtually 100% of the members that participated in this program commented that it was quite an enjoyable way to get in their work hours. I urge you to please consider signing up so that we can keep this program running.

## **MATCH NEWS**

### **IDPA**

February's BUG match was an outstanding success. Fifty-nine shooters came out to brave the frigid conditions to test skills with their Back-Up Guns (BUGs). We had an interesting variety of stages that ranged everywhere from arm's length to 25 yards, and included strong and support hand shooting, shooting while moving, shooting at moving targets, shooting from a variety of positions (standing, seated, kneeling, and prone). If you carry a small pistol or revolver for self-defense, and have never shot an IDPA or defensive pistol-style match I highly encourage you to come out and shoot next year's BUG match.

Our next match will be on **March 14<sup>th</sup>**, and will be shot using the new IDPA rules that went into effect March 1<sup>st</sup>. There's not enough space to covering everything here, but there are a couple of new divisions. BUG has now been made an official division, and Compact Carry Pistol (CCP) is for carry guns with a barrel of 4.10" or less. Please visit [www.idpa.com](http://www.idpa.com) to familiarize yourself with the new rules.

On a separate note, please keep **May 9<sup>th</sup>** free on your calendars for our annual **Virginia Citizen's Defense League (VCDL)** match. Match fee will be \$20, and includes a prize and a hotdog lunch.

As always, that to all the volunteers who helped make this match possible. I couldn't run these matches without you.

Hope to see you at the next match,

**Simon LeRay, Match Director, [S\\_LeRay@yahoo.com](mailto:S_LeRay@yahoo.com)**

## MATCH NEWS (con't.)

### HIGH POWER

High power can be a tough sport, but it is very rewarding. If you who are curious...come on out and give it a try! New shooters always welcome! I'm always only a phone call or e-mail away and glad to answer questions. Our next match is **March 21st • Range C • Sign-up aby 9 AM**. Hope to see you there. **Robert Wilson, 540-875-7554; rawilsonw@yahoo.com**

### Bend of Trail

It's almost spring and Cowboy Action Shooters are more than ready for warmer weather! Our next match may include a scenario where we shoot that varmint groundhog!

We shoot on "A" Range on the 4<sup>th</sup> Sunday of each month thru October. **January thru April, our SAFETY meetings start at 9:30 AM** with the first round down Range shortly there-after.

**May thru October, our SAFETY meetings start at 9:00 AM.**

Come on out and watch. Better yet, join in. We use 2 Single-Action revolvers, a lever-action Rifle in Pistol caliber, and a side-by-side or 1897 pump Shotgun. You do NOT have to join SASS to shoot monthly matches. Cost is \$10.00 per RRRC member and \$15.00 for non members. No need to get dressed up either. Most of us dress similar to the late 1800s but a pair of jeans and a long sleeve shirt will do. Glasses and hearing protection are mandatory.

A usual day of shooting takes about 60 Pistol rounds, 60 Rifle rounds, and 18 to 24 Shotgun rounds. We shoot 6 different Stages. Usually through by 2:00 PM to 3:00 PM.

Cowboy Action Shooting is fun. And it's never the same. Since most of us "re-load" we can lighten our loads and enjoy it more.

Check out our section on the RRRC web. Our Scenarios, storylines and scores are posted monthly. Our sport is more family orientated and we enjoy having the whole family shootin' when possible. You determine how "laid back" or how "serious" you want to be.

**Got questions? Contact Tom Wills, 540-890-6375, ROWE-A-NOC@mikesweather.org.**
